

Set up your cedar blocks.

10 cedar blocks / 10 metal hooks / 2 sanding discs

For clothes and wardrobe moths in enclosed clothes storage.

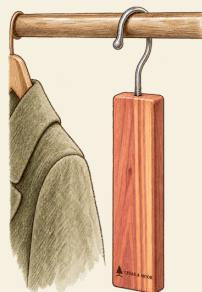

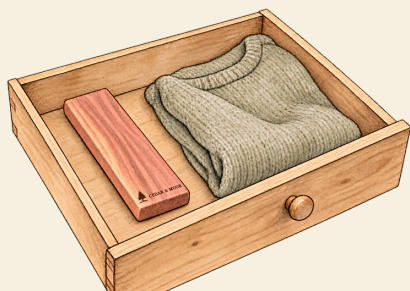

1. Fit a hook

Screw a supplied metal hook into the pre-drilled hole at the top of the block.

Only the blocks you hang need hooks.

2. Hang in a wardrobe

Hang the blocks between stored clothes inside an enclosed wardrobe.

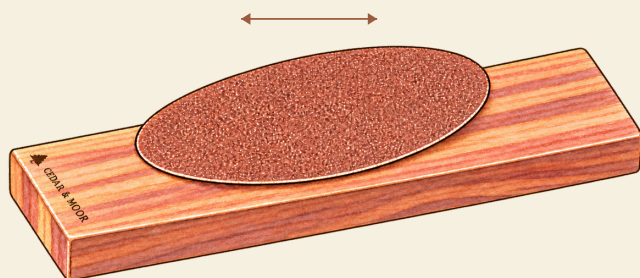

Or lay flat

Leave the hooks off. Lay the blocks flat in drawers or cupboards for enclosed clothes storage.

CEDAR & MOOR

Refresh the natural aroma.

When the natural cedar aroma fades, a light sanding exposes fresh wood.

- 1 Rest the block on a steady surface. Lightly sand the cedar surface with one of the supplied discs.
- 2 Remove loose sanding dust, then return the block to your wardrobe, drawer or cupboard.

The scent is the wood's own.

Solid Eastern Red Cedar (*Juniperus virginiana*), with no added oils, fragrances, coatings or preservatives.
